

# Instagram from the Past

**Directions:** As you may know, Instagram is a social media ap (application) that allows people to share their lives with a selected audience. In this assignment, act as if you are the photographer of a famous person in this chapter of study. You will draw SIX pictures that you figure your selected person would send to his/her audience. In the description underneath your artwork include who it is, where & when it was taken & what they are doing. Be creative. Imagine the activities your person would participate in based on what was discussed, researched or read in class. You must draw in pencil; use color pencils, and write in BLACK INK.

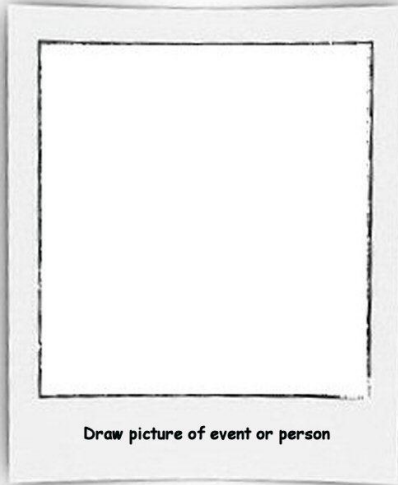

Describe the picture (who, what, when, where)
