GLE #29. Identify types of taxes collected by the local, state, and federal government (C-1A-M10)

Across

4. Property owners (buildings and land) with homes valued over \$75,000 (due to the homestead exemption) or investment properties (e.g., landlords with rental houses). This describes those who pay what tax?
6. Holders of federal bonds receive interest payments; many receive benefits and salaries from the federal government financed through loans repaid by the ___ tax; all benefit from national defense, federal law enforcement, and the presence of the federal courts. What type of tax does this describe?

Down

1. Paid by producers of oil, natural gas, timber, salt, minerals, or other natural resources extracted from Louisiana.
2. "The rich alone use imported articles, and on these alone the whole taxes of the General Government are levied... Our revenues liberated by the discharge of the public debt, and its surplus applied to canals, roads, schools, etc., the farmer will see his government supported, his children educated, and the face of his country made a paradise by the contributions of the rich alone, without his being called on to spend a cent from his earnings." -- ___ to Thaddeus Kosciusko, 1811
3. Paid by anyone (or any corporation) making a profit from selling a capital asset (such as shares of stock).
5. ___ pay for government services and the debts incurred by the government.
